

Volunteer Docent Program Overview

We are expecting thousands to tour the Legendary Florida Collection and the Museum of Florida Art this year! We are looking for enthusiastic docents to help guests get the most out of their visits. Those who enjoy the arts, history and architecture of this area will have a richer experience as they share their passion with others as a docent. For more information on becoming a docent, please email our Tour Coordinator, Jewel Dickson at **dickson@MuseumofFloridaArt.com**.
