Collaboration is at the heart of our programming philosophy for the Legendary Florida Premiere Performance that introduces the Legendary Florida Symphonic Series.

The intent is to create musical performances that stimulate, engage, and delight audiences. Through creative partnerships with other leading cultural institutions, community partners, and educators, we seek to reach even further, finding new ways to spark the curiosity of arts-lovers and working tirelessly to ensure that people have access to great art and music as part of their daily lives. Whether it's through our permanent collection of the Legendary Florida paintings, or other exhibits by extraordinary artists, or creative learning art projects and educational programs in the schools, we hope that this encourages people to stretch and expand their art horizons.

### *Legendary Florida Premiere Symphonic Performance*

*Orchestral Work written by Florida composer, Robert Kerr*

*Narration written by Dr. Gary Mormino*

*Inspired by the Legendary Florida paintings of Jackson Walker*

The Museum of Florida Art invites you to a celebration of Florida through sound, word and image.

This artistic collaboration brings together a literary artist with a visual artist and composer to create one of the most comprehensive orchestral works written about Florida history based on the paintings of the *Legendary Florida* Collection.

*Legendary Florida Historic Portrait in Sound* written for the collection will include musical movements inspired by Florida history battles, Seminole and African American Heritage, the Florida frontier and the natural beauty of the Sunshine State.

This program is made possible by the Florida Humanities Council, community sponsors and the Legendary Florida Society. Legendary Florida supporters play a key part in preserving the historic significance of Florida's rich history, while at the same time providing students with an education through art.

Membership is an ideal way for to demonstrate your support of the Museum of Florida Art and the Legendary Florida collection, while ensuring the continuation of Museum quality programs for generations to come. **Please contact us at 386-734-4371 for sponsorship information!**
