Testimonials

"I hope that your outdoor sculpture brings as much to your city as it has to ours."
Cheryl Fish, E.D./Kissimmee Mainstreet

"The arts contribute immeasurably to a community's prosperity, both as an economic catalyst and for the quality of the life they enhance."
The News-Journal, June 24th, 2007

"Works of art are made by human beings for other human beings. An artist works to communicate the deepest connection - perspective and ideas - with other people.... Art has the power to ignite our imagination, to stimulate our thinking and to provide enjoyment...."
Diane Cameron, Aug. 1, 2009
